Social Value and Environment

- On Wednesday 20 July we held our second 'Meet the Buyer' event to meet local subcontractors and suppliers to improve our local procurement and support local construction business.
- On Wednesday 27 July Jason from Newtown Stewart took part in a Q&A Teams Session for Southwark students organised by the Youth Trust where he spoke about his job role, his company and answered students' interesting questions.
- On Thursday 4 August we delivered our second batch of donations to Lewisham Polish Centre to send to Ukraine. We filled up two vans with medical supplies, first aid supplies, baby food, nappies, water, juices, chocolates, medical nutritional supplements, clothes and shoes, toys, canned food, sleeping bags, dog/cat food, and toiletries and beddings.
- We would like to send you updates by email to **reduce our carbon footprint and be more eco-friendly**. If you are happy to receive these updates by email, please ask [Suzi Mattos](#) to add you onto our email list.

Your safety is our concern

Bouygues UK takes every precaution to keep you safe throughout the construction process.

At all times, our site will be secure and surrounded by fencing but building sites can be hazardous places:

- We dig deep holes
- We erect scaffolding
- We use large, noisy machinery

Please do not enter the construction site unless it is part of a pre-arranged visit by our project team.

- Our operatives and staff are trained to work safely

Please help us to keep you and your children safe and take extra care during the school holidays.

As with all our projects, this site will be registered with the scheme, and regular visits from the Considerate Constructors monitor will help us to ensure that we continue to improve our performance in showing full respect for:
