Sub-area 2 – upper Camberwell Grove

Figure 46 Variety and consistency in Camberwell Grove

- 169-185 Camberwell Grove (Grove Crescent): a very distinctive crescent of linked pairs of 3 storey lanes with basements and attics; all stucco, with railings and landscape in front.
- 187-193 Camberwell Grove: 2 pairs of stuccoed villas in a straight terrace, set back with basement railings and carriage drive.
- 197-211 Camberwell Grove: 8 linked pairs of stuccoed villas, 3 storey basement and attic, in a straight terrace, set back with basement railings and carriage drive.
- 200-218 Camberwell Grove: a terrace of 10 stucco houses, 3 and 4 storeys plus basement, marking the top end of Camberwell Grove.
