

Local Housing Forum

We are making it easier for more people who live in council homes to get involved in decisions about council housing.

Everyone who lives in a council home, including council owned temporary accommodation, can attend their **Local Housing Forum**.

- These will take place every 3 months across 5 different areas
- Agenda, dates, times, venues will all be published on our website; please click on the link in more information
- Meetings are generally held in person.

At these meetings, you can take part in discussions with council officers and councillors on a wide range of housing related topics.
