Statement of reasons

Cobourg Road area improvements

*The London Borough of Southwark (Charged-for parking places) (Cobourg Road area improvements) Order 202**

*The London Borough of Southwark (Free Parking Places and Waiting restrictions) (Cobourg Road area improvements) Order 202**

The scheme proposes changes in the Cobourg Road area in the vicinity of the Burgess Park Sports Centre (within the Faraday ward and the Old Kent Road ward), in the London Borough of Southwark.

The purpose of the changes is to facilitate the priorities of the area for the new development: Burgess Park Sports Centre, and to accommodate new accessible parking and to promote walking and cycling to the centre. A total of 128.5 metres of existing 'shared-use' parking (CPZ 'T' permit-holders and pay by phone parking only) in Cobourg Road and a total of 22.5 metres of existing 'shared-use' parking in Loncroft Road will be removed, and replaced with new lengths of 'at any time' waiting restrictions (double yellow lines 'DYLs') to accommodate the parking changes (in both roads mentioned above) and to add new 'unlimited stay' Disabled Persons' parking places (in Cobourg Road). There will be an additional 17.5 metres in total of 'shared-use' parking added to Cobourg Road, by way of removing existing 'DYLs' and shifting the existing parking bay lines.

There will be new traffic calming measures introduced, in the form of raised speed tables, at the Cobourg Road and Loncroft Road junction and at another location in Cobourg Road to reduce motor traffic speeds at designated pedestrian crossing points in the vicinity of the Burgess Park Sports Centre.

The developer was granted planning permission (ref: 21/AP1002) for this project to make changes to the road marking layout to support the Burgess Park Sports Centre.
