A community garden for all

The Benhill Nature Garden is the last of Southwark's nature gardens to be brought back as a community asset. Working closely with residents, the nature garden space has been designed and revitalised for everyone in the community to enjoy.

On the day, there will be a range of activities to explore including:

- ◇ Nature garden tour
- ◇ Pond dipping
- ◇ Mini beast hunt
- ◇ And an opportunity to register to be a Friend of Benhill Nature Garden.
