Dear Residents

Mains Electrical Shutdown – Monday 9 and Tuesday 10 October 2017

I am writing to let you know there will be a power outage in your block to enable the first phase of the electrical upgrade works to complete. The loss of power will not affect the lifts in the blocks. Access to your property will **not** be needed.

The shutdown times for all four blocks will happen over 2 days as follows:

Bromyard	9 October: Floors 1-6 for 4 hours in the morning
	10 October: Floors 7-13 for 4 hours in the morning
Peterchurch	9 October: Floors 1-6 for 4 hours in the morning
	10 October: Floors 7-13 for 4 hours in the morning
Skenfrith	9 October: Floors 1-6 for 4 hours in the morning
	10 October: Floors 7-13 for 4 hours in the morning
Sarnsfield	9 October: Floors 1-6 for 4 hours in the morning
	10 October: Floors 7-13 for 4 hours in the morning

If you have any questions please call Paul Thomas on 07950 318450.

Please contact our site project team as soon as possible if you have any medical needs that may be affected by the loss of your electrical supply.

If you would like to discuss the work further please speak to our project site team on the numbers below or call in to see our resident services team at the Ledbury TRA.

Yours faithfully
