

Your household waste collection is changing

From **7 December**, we'll be providing timed refuse and recycling collections in your area to make it cleaner and more pleasant for everyone.

Please read on to see what you need to do.

At the moment, many businesses and flats don't have enough space to store their refuse and recycling, meaning sacks of waste are often left on the pavement. Set times to put your waste on the pavement, after which the waste is promptly collected, mean that for most of the day, there will be no waste on the pavement.

What do I do?

Please help us make your neighbourhood a cleaner, more enjoyable place to live and work.

If you live on one of the streets where the scheme is operating

- Please place your refuse and recycling sacks on the pavement for collection outside your home at the times shown opposite. We will collect your waste shortly afterwards leaving the street clean and tidy until the next timed collection.
- If sacks are left out on other streets or at other times enforcement action may be taken.
- You can recycle your waste using clear recycling sacks like those shown below. You can find out more about our recycling collection services and order supplies of clear recycling sacks using the following link: www.southwark.gov.uk/peckhamtimedcollections

Timed collection details

Place your sacks on the pavement outside your property between:

Morning	8am to 9am
Evening	6.30pm to 7.30pm
Night	11pm to 12 midnight

The scheme is operating on both sides of

- Rye Lane
- Highshore Road from Rye Lane junction up to Oliver Mews
- Blenheim Grove from Rye Lane junction up to Choumert Grove
- Choumert Road from Rye Lane junction up to Choumert Grove
- Bournemouth Close
- Moncrieff Place

For more information, go to
www.southwark.gov.uk/peckhamtimedcollections
