 The logo for Southwark Council, featuring the word "Southwark" in a large, stylized script font, with "Council" in a smaller sans-serif font below it, and the website "southwark.gov.uk" at the bottom.

Background

- Pilots commenced 2018 – Five income streams added to Step by Step or Single View of Debt System
 - Council Tax debts at enforcement stage
 - Business Rates debts at enforcement stage
 - Former Tenant Arrears
 - Housing Benefit Overpayments
 - Sundry Debts
- Initial data matching showed 33% of customers with **current rent arrears** also owed another debt to the Council
- More complex due to ever changing nature of the debt so decision made to split arrears away from ongoing rent

Background – Covid Impacts

- Pilots including current tenant rent arrears were due to commence from spring last year but were postponed due to the pandemic
- Rent arrears and other debts to the Council have grown enormously during pandemic
- From this autumn planned pilots will commence
- An important part of the Council’s strategy for managing debts post-pandemic and will support new statutory “Breathing Space” for debtors

Benefits of approach

- When a new debt is loaded it will automatically link to other debts for the same customer (matched by surname, forename and postcode)
- Enables customers with multiple debts to the Council agree a single joint arrangement and make **one payment**
- The debtor's Income and Expenditure is only assessed **once**
- System allows automation of initial engagement, to free up staff for support
- More immediate response to Breathing Space notifications
