

Are there rough sleepers in your bins?

**Rough sleepers
get injured and die
in waste collection
compactors**

Remember to:

- Check all large bins daily
- Do extra checks in bad weather and just before collections
- Record all incidents or signs of rough sleeping in waste storage areas
- Tell your waste contractor of any signs of rough sleeping
- Ask for lockable bin lids

If you have concerns or have found someone sleeping rough on your premises refer them to:
The Manna Centre, 12 Melior Street, SE1 3QP or Streetlink: www.streetlink.org.uk or call 0300 500 0914
