Subject: LON/OOBE/LDC/2023/0074 - Properties at London Borough of Southwark - Building Insurance Dispensation Application

Dear Sirs,

Case Reference: LON/OOBE/LDC/2023/0074
Property: All residential leasehold properties managed by London Borough of Southwark

Further to the Directions dated 14th December 2023, please see attached Witness Statement of Karen Hawkins.

I confirm that copies have been emailed to the Participant Leaseholders and a copy is in the process of being uploaded onto our website.

Please note that the Applicant will not be proceeding with the Application for the matter to be transferred to the Upper tribunal.

Please see below a list of dates to avoid for the Applicant's witnesses in February/March 2024 when the Tribunal are considering listing this matter for a hearing:

5th – 20th February inclusive
22nd and 23rd February
26th February
8th and 9th March
11th – 19th March inclusive
21st – 29th March inclusive

Finally, with regards the venue for the hearing, we would request that the Tribunal make enquiries with the Rolls Buildings at the Royal Courts of Justice where there are large hearing rooms and if available, would avoid any further costs to either party.

Kind Regards,

Michael Dobson
