Note: If this is an application by a landlord, then usually all tenants liable to pay a service charge for the costs in question should be joined as respondents. If tenants are not joined in this way, the landlord should provide the Tribunal with a list of the names and addresses of service charge payers. ('A paper determination').

Where there is to be a hearing, a fee of £200 will become payable by you when you receive notice of the hearing date.

10. TRACK PREFERENCES

Fast Track
 Standard Track

Is there any special reason for urgency in this case?

Yes No

If Yes, please explain how urgent it is and why:

The council are about to enter into this contract, which cannot be delayed because it would leave the properties uninsured

Note

The Tribunal will normally deal with a case in one of three ways: on paper (see section 10 above) or 'fast track' or 'standard track'. The fast track is designed for cases that need a hearing but are very simple and will not generate a great deal of paperwork or argument. A fast track case will usually be heard within 10 weeks of your application. You should indicate here if you think your case is very simple and can be easily dealt with. The standard track is designed for more complicated cases where there may be numerous issues to be decided or where for example, a lot of documentation is involved. A standard track case may involve the parties being invited to a Case Management Conference which is a meeting at which the steps that need to be taken to bring the case to a final hearing can be discussed.

GROUND FOR SEEKING DISPENSATION

Please use the space below to provide information mentioned in section 7 of this form.

You will be given an opportunity later to give further details of your case and to supply the Tribunal with any documents that support it. At this stage you should give a clear outline of your case so that the Tribunal understands what your application is about. Please continue on a separate sheet if necessary.

1. Describe the qualifying works or qualifying long-term agreement concerned, stating when the works were carried out or planned to be carried out or in the case of a long-term agreement, the date that agreement was entered into or the proposed date it is to be entered into.

This is a Qualifying Long Term Agreement for Buildings Insurance cover for all leasehold properties managed by the London Borough of Southwark. It is proposed to enter into the agreement on 31st March 2023.

2. Describe the consultation that has been carried out or is proposed to be carried out.

An Notice of Intention under Schedule 2 of the regulations was served on all leaseholders 30.6.22. This Notice complied with all requirements of the regulations

It is intended shortly to serve Notice of Proposal on all leaseholders. The Notice will set out the rates that are applicable under the contract and will invite observations from leaseholders.

It will not be possible to provide alternative tenders and the Notice will explain why, as set out below. It will not be possible to delay the letting of the contract until the observation period has ended because this would leave the buildings uninsured, and that will be explained in the Notice. It is intended to invite observations over the 30 day period and to reply to issues raised in those observations.

3. Explain why you seek dispensation of all or any of the consultation requirements.

Under the provisions of the Right to Buy, Southwark Council are obliged to provide full buildings insurance cover on behalf of our leaseholders, and recharge the premiums via the service charge

The current contract for the provision of buildings insurance is due to come to an end on 31st March 2023. The Council sought tenders for a new buildings insurance agreement in November 2022. The current Insurer, Zurich, had already indicated that they were withdrawing from the this part of the market, and would not be tendering. No tenders were received from alternative providers.

The Council has explored other alternatives through consortia of other local authorities, which were unwilling to take on additional members, and through through the private market which required a level of detail that the council does not have available regarding its stock. On 7th March the council's broker advised that a single offer had been made by Protector Insurers.

The premiums offered by Protector are substantially higher than those previously offered by Zurich and reflect the current lack of competition in the market. Although Zurich had offered to extend their contract for a limited period if no other offers were received, this extension offer was withdrawn when Protector's offer was received. The council have no alternative offer and don't believe that there is any prospect of an alternative offer being made, particularly so near to the end of the current agreement.

Under these circumstances the council propose to enter into an agreement with Protector before the 31st March 2023. For the reasons set out above it is not possible to provide a second tender as required under S20, nor is it possible to delay the agreement for the 30 day period while observations are made.

The situation regarding the market provision for insurance of Council owned blocks is widely recognised and is the subject of discussions between London Authorities and the Secretary of State to explore longer term solutions through changes to legislation.
