1. Introduction

- 1.1. The Old Kent Road Area Action Plan (AAP) is a plan to regenerate the Old Kent Road and surrounding area. It sets out a vision for how the area will change over the period leading up to 2036. This includes delivering 20,000 new homes and 5,000 additional jobs. The vision is supported by a strategy with policies we will put in place to deliver it. The AAP will make sure that over the next twenty years we get the right development needed to support a healthy, safe and prosperous community and a fairer future for all in the Old Kent Road area.
- 1.2. The AAP will be part of our framework of planning documents. It will be a material planning consideration in deciding planning applications in the opportunity area. It will help ensure that we make decisions transparently, providing clarity for members of the public and giving more confidence to developers to invest in the area. It will also be an opportunity area planning framework (OAPF) and will be endorsed by the Mayor of London.
- 1.3. This is the first stage of public consultation on the AAP. While we have been engaging and consulting the local community and businesses groups over the past year, this is the first time people will be able to comment on the draft plan.
- 1.4. Alongside the AAP we are also consulting on two other documents:
 - A Revised Preliminary Draft Charging Schedule (“the CIL charging schedule”) which sets out to increase the Community Infrastructure Levy (CIL) rate paid by residential developments falling within CIL zone 3 in the Old Kent Road Opportunity Area so that residential development across the opportunity area pays the higher rate. This is important to help fund the transport infrastructure required to support the very significant growth being planned for in the opportunity area, including delivery of the Bakerloo Line extension.
 - An Addendum to the Section 106 Planning Obligations and Community Infrastructure Levy (CIL) Supplementary Planning Document (“the SPD addendum”) which sets out interim guidance on the approach to using section 106 planning obligations to contribute towards funding transport infrastructure in the Old Kent Road Opportunity Area prior to the introduction of the revised CIL.

The purpose and objectives of this plan

- 1.5. The process of reviewing the AAP and the CIL charging schedule and finalising the SPD addendum needs to involve local community groups, residents, landowners, developers and businesses at each stage to ensure that the plan meets the needs of those living in, working in and visiting the Old Kent Road area.
- 1.6. The purpose of this consultation plan is to make sure that we involve local people in preparing these documents in a way that considers their needs.

There are minimum legal requirements for consultation we need to follow which you can read about in sections 2 and 3 below.

2. How we are consulting

- 2.1. We carry out consultation in accordance with our adopted statement of community involvement, which explains how we will consult the community in the preparation of planning policy documents. The following section sets out how we plan to meet the minimum statutory consultation requirements and how we will exceed these requirements where appropriate.
- 2.2. In the current stage of consultation we will invite members of the public and other stakeholders to make representations on the draft AAP, CIL charging schedule and SPD addendum. Both the AAP and CIL charging schedule will undergo further consultation. However this current consultation will be the only consultation on the SPD addendum. Further details of the next steps for each document are set out in section 5.
- 2.3. This consultation plan should be read alongside the following documents:
 - **The draft Old Kent Road Area Action Plan**
This sets out our draft proposals for the AAP.
 - **The revised preliminary draft charging schedule**
This sets out the proposed changes to the CIL rates for Old Kent Road Opportunity Area.
 - **The SPD addendum**
This sets out interim guidance on the approach to using section 106 planning obligations to contribute towards funding transport infrastructure in the Old Kent Road Opportunity Area.
- 2.4. In addition there are a number of supporting documents that the reader may wish to consult. These include:
 - **Integrated Impact Assessment of the AAP**
This analyses the economic, environmental and social impacts of the AAP and identifies mitigating measures where necessary. It also incorporates equalities analysis and a health impact assessment.
 - **Habitat regulations assessments of the AAP and SPD addendum**
Carried out under the EU Habitats Directive, this assess the effects of land use plans on European sites to determine whether there will be any 'likely significant effects' as a result of the plan's implementation.
 - **Equalities analyses of the charging schedule and SPD addendum**
This assesses the likely impact of the documents on the nine protected characteristics groups, as identified in the Equality Act

2010 (age, disability, gender re-assignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation). Broadly, it looks at the impact in relation to equality, diversity and social cohesion.

- **Draft Regulation 123 list**
Sets out proposed changes to the regulation 123 list specifying what types of infrastructure will be funded via CIL.
- **Draft infrastructure plan**
This sets out the strategic infrastructure required to support growth over the period of the council's local plan. It has been updated to include the infrastructure required to support growth in the Old Kent Road Opportunity Area.
- **SEA screening assessment for the SPD addendum**
An assessment to determine if the SPD addendum requires a Strategic Environmental Assessment (SEA).

Consultation timeframe

- 3.1. In accordance with Southwark's statement of community involvement (SCI), the draft AAP, charging schedule and SPD addendum will be available for comment over a twelve week period from 17th June 2016, although consultation will be focused as far as possible in the 6 weeks prior to the start of August.

5. What happens next?

5.1. This is the first stage of consultation on the draft AAP and CIL charging schedule and the only stage of consultation on the SPD addendum. Next steps for each document are set out below.

Old Kent Road Area Action Plan

5.2. After consulting on this first draft of the AAP, we will collate all the feedback we receive and publish a final version of the plan for formal consultation. This will then be submitted to the Secretary of State who will appoint an independent inspector to hold an examination-in-public into the soundness of the plan. The plan will then be adopted, subject to any modifications recommended by the inspector.

Stage of consultation	Consultation timescale
Consultation on draft AAP	17 June 2016 to 23 September 2016
Publication/submission version of AAP	2017
Submit to the Secretary of State	2018
Examination in Public	2018
Adoption	2018

CIL charging schedule

5.3. Development of the CIL charging schedule follows a slightly different statutory process. The key stages are set out below:

- Consultation on a preliminary draft charging schedule (as proposed here).
- Consultation on a draft charging schedule (anticipated in autumn 2016).
- Submission of the draft charging schedule to an independent examiner, consultation on any post-submission modifications and examination-in-public (EIP anticipated in spring 2017).
- Receipt of the examiner's report and adoption of CIL (summer 2017).

SPD addendum

- 5.4. The process for adopting the SPD addendum is simpler. Following the current stage of consultation we will review the responses and then seek to adopt a final version of the SPD addendum in autumn 2016. No examination-in-public is required for supplementary planning documents.
